

ADDENDUM 1**to MOU between Cal Poly Humboldt and the College of the Redwoods****Guaranteed Transfer**

This addendum formally recognizes the strong partnership between Cal Poly Humboldt and College of the Redwoods (CR) and serves to facilitate seamless transfer to meet the educational needs of the California North Coast community. Cal Poly Humboldt has served as the primary transfer institution for CR students for over 50 years. This addendum is designed to maintain access of CR students to high quality bachelor degree programs at Cal Poly Humboldt.

Cal Poly Humboldt recognizes that CR associate degree holding graduates have received a rigorous, high quality education, and thus, are prepared to succeed at a four-year institution. This agreement stipulates the formation of a Guaranteed Admission program under which CR graduates will be admitted to Cal Poly Humboldt.

This agreement does not refer to or replace the California Community Colleges-Associate Degree for Transfer Program (CCC-ADT).

Degree Programs with Guaranteed Admission

Cal Poly Humboldt and College of the Redwoods will work together to identify Cal Poly Humboldt's STEM degree programs for Guaranteed Admission. These programs will be mutually agreed upon and will be formalized through an articulation agreement to ensure that the transfer of general education credits and core curriculum courses satisfy requirements at both institutions. This agreement will reside in the official course transfer and articulation system for California's public colleges and universities (ASSIST).

Each degree program that is agreed upon for inclusion in this addendum shall be incorporated into articulation agreements.

Student Eligibility Criteria

To be eligible for guaranteed admission, a student must:

1. Have graduated with an Associate of Arts (AA) or an Associate of Science (AS) from College of the Redwoods and have an overall grade point average of 2.0 or higher in all transferable units attempted.
2. Met all eligibility criteria for admission to Cal Poly Humboldt.
3. Met all of the requirements outlined in the official Articulation Agreement for the major.

College of the Redwoods agrees to:

1. For each agreed upon Cal Poly Humboldt program, develop a prescribed academic pathway to ensure transfer entrance to the associated Cal Poly Humboldt academic program.
2. Advise students appropriately to ensure that necessary coursework is met for admission to Cal Poly Humboldt.

3. Promote the Guaranteed Admission program and identify students who may be interested in the program.
4. Maintain currency of program requirements to reflect changes to Cal Poly Humboldt degree requirements.

Cal Poly Humboldt agrees to:

1. Admit all qualified CR students under this addendum into their designated program with upper-division standing.
2. Invite students to attend information sessions with details on Cal Poly Humboldt's admission process and points of contact.
3. Notify CR of changes to curriculum in relevant programs.
4. Notify CR of any changes to admissions policies.
